

Valorena Publishing & Cocoa Kids Collection® International Scholarship

Mission Statement

The scholarship program is designed to empower diverse, aspiring creators by supporting their education and studies as they pursue careers in children's picture book publishing.

Objectives

To build a supportive community of picture book publishing professionals and literacy advocates.

To provide educational funding and financial support for students aspiring to careers in children's picture book publishing.

To build and strengthen a wide range of partnerships with organizations and stakeholders for sustainable impact.

The Scholarship

- **Recognizes & Supports Global Talent**
Students from around the world, including editors, writers, and illustrators, are eligible.
- **Promotes International Exchange & Skillshare**
Participants gain exposure to international literacy, literary, and publishing professionals, as well as their networks.
- **Builds Community**
Participation in the scholarship program provides applicants with access to and exposure in this growing international community.
